Irish Chimney

A note to let you know that your team of Pete, Oscar and Brant did a thorough job- including cleaning up afterward.

Pete especially let me know each stage of the process.

Thanks for prompt efficient service.

Dear Don,

Just a note to say thank you. Your crew was great. I was very pleased with them. (Brian, Matt and Oscar) They did a great job and they were also very nice. The other person who helped me was Laura. She is good on the phone and has a lot of patience.

Thanks again.

I am writing this letter to let you know what nice people you have working for you. Brian and Oscar were at my house last week to clean my chimney. They were so clean and neat and polite. I then was telling Brian how we get a bad down draft in the fireplace and if was there something we could do to help with that. They came on Monday with the cap, and again so very clean and neat and polite. You have great guys with the both of them. They were very friendly and work so great together. I just thought you should know.

Thank you so much.

I will see you next year!

Truly yours,

Mrs. D.

Dear Donald,

Just a quick note to let you know how impressed I was with the service I received from Anthony and William. Not only were they polite and neat but "extremely knowledgeable". Anthony explained everything I needed in a patient manner. He was very organized and courteous.

I look forward to doing work with your company in the future.
Feel free to call me if you need a formal recommendation.

Yours truly,

Rhonda

Don,

Just a note to let you know that Dan and Oscar fulfilled every promise made to me over the phone. They were helpful, courteous and neat.

If in the future we hear of anyone needing chimney work, we will gladly recommend your company.

Also, I would like to thank you for being so considerate with our business agreement.

Yours truly,

Mrs. Lupo

Dear Donald,

Thank you so much for changing your schedule for getting my chimney job done, for patiently explaining everything to me, for extras like cutting the oak branches and even for coming to Greenlawn to settle! You and Oscar worked so hard and did such a wonderful job! It is good to do business with honest people. By the way, I do not think you wanted to flatter when you said I looked better than 1994. It's the sun tan that makes people look younger.

Following your tip, I called Consumer Affairs; they said the company had lost their Suffolk license in 1995.

Until next time there is a job.

Sincerely,

Susanne

Dear Sirs,

Awhile ago my sister, my niece and I have needed to have work done on our chimney's. We didn't know who to call. My sister who lives next door to me looked in the Yellow Book and decided she liked the name Irish Sweeps Chimney Ltd and so we hired you.

As it turned out it was an excellent choice. We are very satisfied with the work that was done. Brian explained everything to each of us and thus the work was done. May I sing the praises of Brian?

Brian is very personable and a hard worker and did very satisfactory work that left us all pleased. Anthony, his worker, a very polite young man and worked equally as hard.

I would not hesitate to recommend Irish Sweeps to others.

Sincerely,

Mrs. B
